Dear Students and Parents,

As the Class 10 and 12 Board Examinations approach, I want to take a moment to address you all with heartfelt encouragement and support.

To my dear students, this is a milestone in your academic journey, a stepping stone toward your dreams. Remember, this examination is an opportunity to showcase your hard work, resilience, and determination. Success is not just measured by marks but by the effort and dedication you pour into your preparation. Trust in yourself, stay focused, and take each day as it comes. Believe in your abilities, and you will rise above any challenge that comes your way.

To our valued parents, your unwavering support and encouragement mean the world to your children. While they prepare to give their best, remind them that your love and pride for them are unconditional. Create a calm and positive environment at home, and assure them that these exams are only a part of life's journey, not its entirety.

Together, let us remind our children that their worth is far greater than the numbers on a report card. What truly matters is their integrity, character, and the lessons they carry with them as they move forward in life.

Wishing all our students strength, confidence, and clarity as they step into this important phase. Remember, we are all cheering for you, today and always.

Sita Jha
Vice Principal
